Darling France:-

I got up half an hour late this morning, but got down to the barracks at 5 30 so you see I still was early. Anyhow, I got a good rest.

I believe some-time in the very near future, we will have an official report about the "Reserves" being or not being abolished. Hope it will be soon as I am very anxious to know where things stand.

How are you? O.K. I hope.

Will meet you to-morrow night as Aida's store.

Lovingly Joe.
